

Dear Sir or Madam,

In this month's newsletter we have both new and old to tell you about!

Don't hesitate to write or call us – we're more than happy to talk with you personally or just to send you more information.

Your Desoi Team

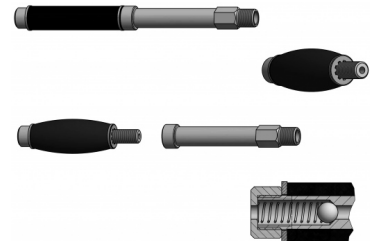

## INJECTION TECHNIQUE

### 1-day packer - steel

In addition to our well-known 1-day packers we now offer an additional alternative with extraordinary value for money:

**1-day packer - steel** with check valve  $\varnothing$  18 – 38 mm x 180 mm length.

### Brochures - relaunch

We have recently published a series of brochures with detailed information on a number of technical applications. The information provided is intended to supplement our new DESOI 15 catalog. The brochures are available in both **printed form** and as **downloads** in the languages German/English and German/French.
