

Dear Sir or Madam,

we hope that you, your families and your colleagues are well. The first priority now is to slow the spread of the corona virus.

As a company, we have already been implementing measures for many weeks to protect our customers and employees and to ensure the maintenance of business operations for you as our business partner.

We have taken precautions in house. Through the expansion of home-working possibilities, it is possible that we can continue to support you with the usual service quality.

Your personal contact persons are available to you as usual, maybe we have to call you back in exceptional cases. At the moment we would ask you to refrain from a personal consultation visit to us in Kalbach.

For domestic contacts, we can be reached as usual by e-mail info@desoi.de and by the usual telephone number 06655 9636-10 (also Business-WhatsApp).

For contacts from abroad we are available via e-mail office@desoi.de or by phone +49 6655 9636-44 (also Business-WhatsApp).

The injection technology service at service@desoi.de and +49 6655 9636-38 (also Business-WhatsApp)

For the product area of industrial technology, we are available to you under Tel. +49 6655 9636-15 as well as under the e-mail address info@desoi-industrietechnik.de. Our repair and maintenance service is still available to you as usual. Please ask us today!

If you have any questions regarding our product range of threaded unscrewing units, please do not hesitate to contact us by phone +49 6655 9636-37 or moulding@desoi.de.

You can also use skype and facetime for video consulting.
Of course we are also looking forward to a visit in our shop - www.desoi.co.uk.

We wish you only the best,
good health,

Your Desoi Team
